EXPERIENCES

MOSAIC CLASSES

An immersion in the art and culture of the area, an experience dedicated entirely to the craftsmanship of the Castelli Romani.

ENOTOURISM

Immersed in the Monumental Park of Villa Cavalletti, in the history of the Castelli Romani and its territory, you will begin the food and wine itinerary, a cultural and gastronomic experience aimed at getting closer to the traditions of the country.

The route begins with a walk in the park of Villa Cavalletti, with a story of its history and that of the territory that houses it, continuing through the centuries-old olive grove and the historic vineyard, both of organic farming. The route also provides a wonderful panoramic view of Rome and the city of Grottaferrata.

Afterwards it will be possible to make a guided tasting of the products of the farm of Villa Cavalletti, analyzing their productive, organoleptic and territorial characteristics, which distinguish the products and make them unique in their peculiarities.

GUIDED TOUR

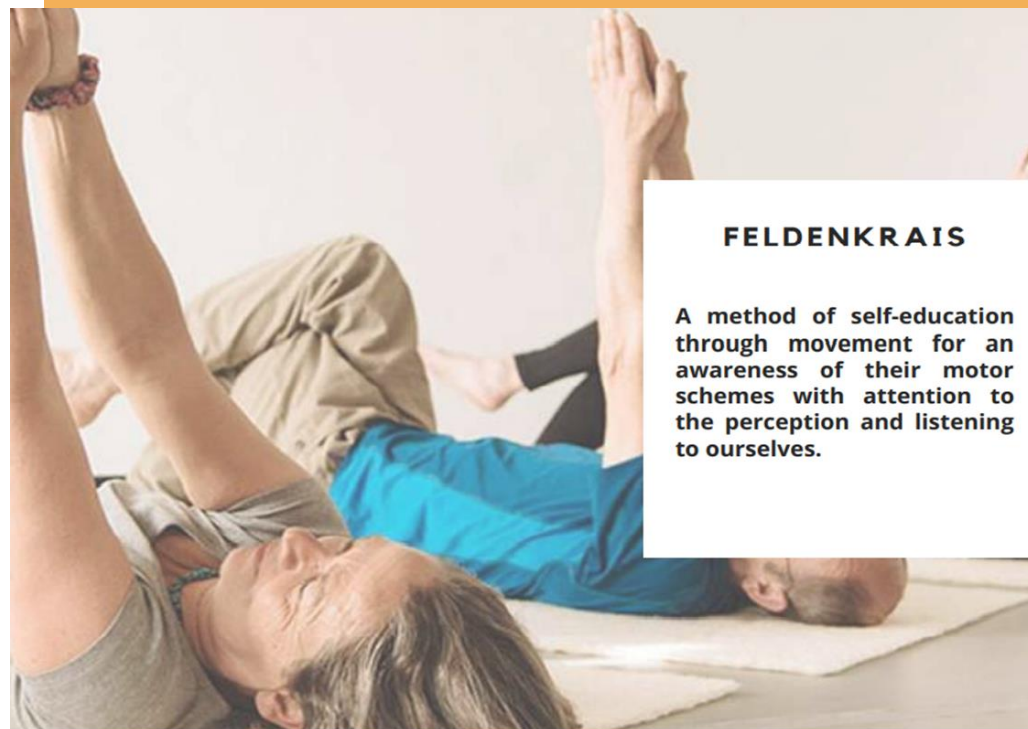

Visit of Villa Cavalletti, retracing the history of the villa, walking in the Monumental Park, in the secular olive grove and in the historic vineyard, continuing in the seventeenth-century Villino Rosso and in the history that preserves the entire complex of Villa Cavalletti.

OLEOTURISM

An experience dedicated to the discovery of extra virgin olive oil, from the plant to both transformation and finally to the guided tasting with the Solinas method, to learn to know and recognize a quality oil.

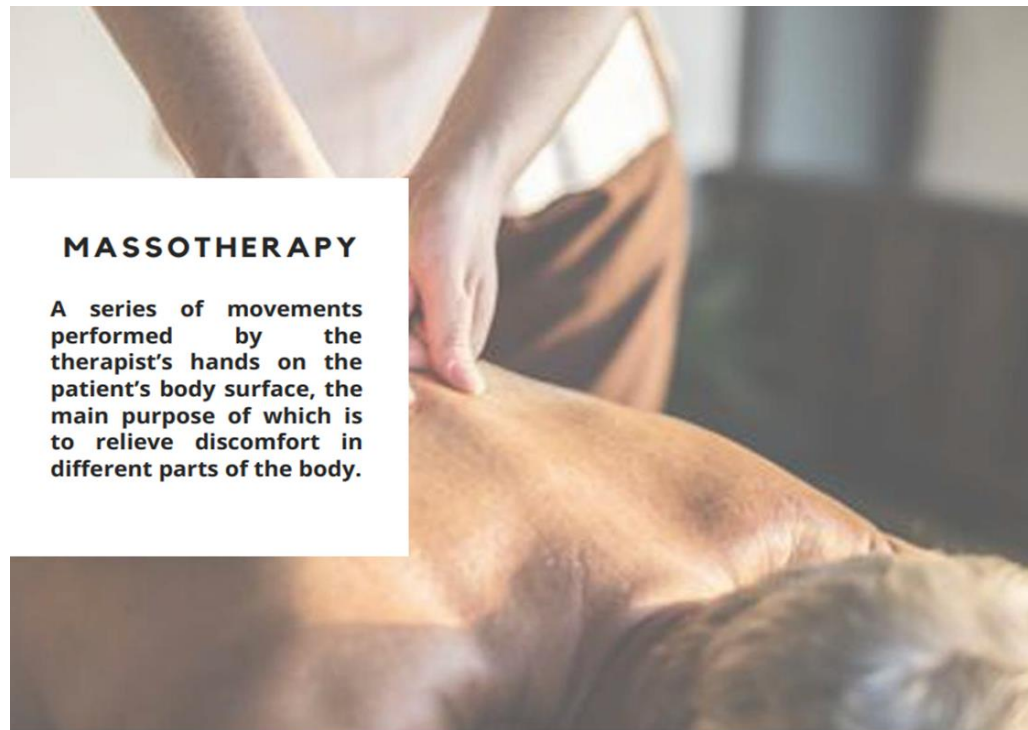

FELDENKRAIS

A method of self-education through movement for an awareness of their motor schemes with attention to the perception and listening to ourselves.

FOREST BATHING

Nature with its silence and colors becomes the protagonist and in connection with man, creates bonds that relax and calm, giving moments of deep connection with themselves and with nature.

MASSOTHERAPY

A series of movements performed by the therapist's hands on the patient's body surface, the main purpose of which is to relieve discomfort in different parts of the body.

THE PHARMACY OF THE GARDEN

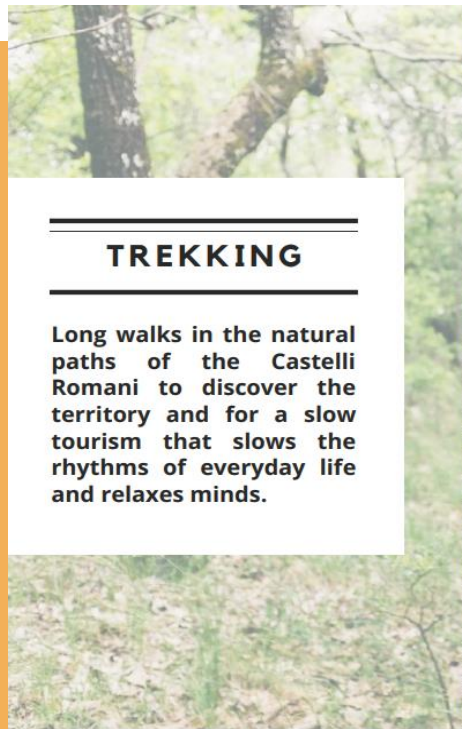

LUNCH WITH FUNCTIONAL MEDICINAL HERBS

Nature offers unique moments and becomes an ally for the well-being and health of man. A lunch entirely dedicated to the discovery of medicinal herbs, their taste and their properties.

E-MOUNTAIN BIKE TOUR

A sports course immersed in the Castelli Romani Regional Park, to discover the thousand natural shades that offer unique and wonderful landscapes.

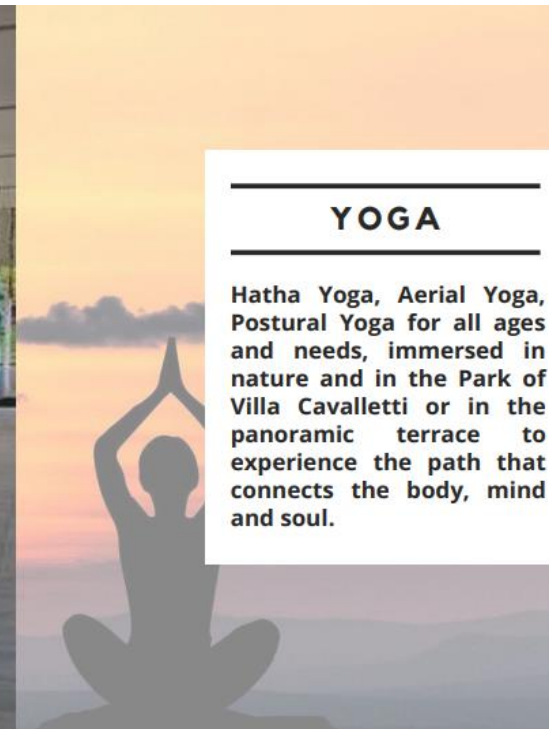

TREKKING

Long walks in the natural paths of the Castelli Romani to discover the territory and for a slow tourism that slows the rhythms of everyday life and relaxes minds.

YOGA

Hatha Yoga, Aerial Yoga, Postural Yoga for all ages and needs, immersed in nature and in the Park of Villa Cavalletti or in the panoramic terrace to experience the path that connects the body, mind and soul.
